Note from the Editor

This project was compiled over many years using a number of resources listed at the end of this document. Completing the project may take years, as we continue to find Thompson veterans not listed in these current resources. Here, we have to rely on family documents and State and Town records. Also, the veterans listed in this document are those who enlisted or were drafted while residents or natives of Thompson, Connecticut. Exceptions are noted. If you find omissions or corrections please submit them to the Thompson Historical Society.

9.	American Revolution	Blackmar, Ezekial	The Sun, Baltimore Maryland, April 17, 1841. "Departed from this life at Thompson, Connecticut, on the 12 th ult (?), Mr. Ezekiel Blackmarr, in the 99 th year of his age. He was the son of James Blackmarr, and born in Gloucester, Rhode Island, in August 1742. Seventy-nine years ago last May, he enlisted as a private in the troops raised in the British Colonies to take the island of Cuba, under the Earl of Albemarle and Admiral Pocock, in a regiment commanded by Colonel Israel Putnam. He was in Captain Spaulding's company, of Plainfield; Lieut. Smith and Ensign Pennuel Hutchins, of Killingly. General Lyman of Springfield, or Northampton, was Colonel. Putnam's superior office. He was without doubt the last surviving soldier at the taking of the Moro Castle, and the oldest in service on the rolls of King George the Third. He sustained through life the character of an honest, upright citizen, and retained to the last, in great degree, his bodily and mental powers." NOTE: It is uncertain if Mr. Blackmar served in the Revolutionary War. He would have been age 54 in 1776. His distinction of being the last surviving member of the capture of Moro Castle serving under Israel Putnam was worth capturing here.	Col. Israel Putnam, Captain Spaulding
